

MICHIGAN DEPARTMENT OF CIVIL SERVICE
JOB SPECIFICATION

LANDSCAPE DESIGN MANAGER

JOB DESCRIPTION

Employees in this job serve as managers directing the work of professional subordinates. The employee, under general supervision, works within general methods and procedures and exercises considerable independent judgment to adapt and apply the guidelines to specific situations, as needed. The work requires knowledge of the policies, procedures, and regulations of landscape architectural design and plan review programs, supervisory techniques, and personnel policies and procedures.

There are two classifications in this job. The classification level is determined by the application of the Professional Managerial Position Evaluation System.

Position Code Title – Landscape Design Manager-3

Landscape Design Manager 14

The employee functions as a first-line professional manager of professional positions in a complex work area, as a first-line professional manager of professional positions in a standard work area receiving executive direction, a second-line professional manager of professional positions in a standard work area, a first-line manager of a professional position in a complex work area receiving executive direction, or a first-line professional manager of nonprofessional positions in a complex work area receiving executive direction.

Position Code Title – Landscape Design Manager-4

Landscape Design Manager 15

The employee functions as a first-line professional manager of professional positions in a complex work area receiving executive direction, a second-line professional manager of professional positions in a complex work area, a second-line manager of professional positions in a standard work area receiving executive direction, or a third-line professional manager of professional positions in a standard work area.
